DeKalb airport launching Web site

AUBURN — DeKalb County Airport manager Russ Couchman demonstrated the airport's new Web page for the county commissioners Monday.

Couchman said the Web page will provide a wealth of information about the airport, including weather and airport conditions, and the agenda and minutes of Board of Aviation meetings.

The Web address is www.DeKalbCountyAirport.com. The airport joins the DeKalb County Police Department in having its own Web site.

The airport's site has been developed by a Fort Wayne firm, and is designed so it can easily be made to resemble other DeKalb County Web sites as they come online under the county's information systems control.

Couchman said the site should be up and running within the next several weeks.
