

DeKalb County Airport

Indiana's Airport of the Year

DeKalb County Board of Aviation

Welcome

Century Aviation!

Century Aviation will begin operations as the Fixed Base Operator (FBO) at DeKalb County Airport, replacing Victory Aviation, on September 8, 2007. They will offer maintenance, flight training, inside storage, pilot supplies, fuel and everything else you would expect from a full-service FBO. Please join us in welcoming this new and energetic company to our Airport and let's come together as a community to ensure their success. Lara Zook Gaerte and Tony Gaerte are the owners of this company so stop by and say hello the first chance you get.

Mark your calendars, on Wednesday, November 11, 2007 at 6:00 p.m. Premier Avionics will team up with Century to offer a Garmin WAAS training session. As you may know, DeKalb County Airport is the ONLY GA Airport in Indiana that has multiple WAAS (LPV) approaches so this training is held at the perfect location and point in time to help us all fully utilize the amenities offered at our hometown Airport.
