DeKalb County Airport

Indiana's Airport of the Year

DeKalb County Board of Aviation

The EAA's Vintage Chapter 37 based in the A-hangar at the DeKalb County Airport is restoring a piece of aviation history. Famous air racer Harold Neuman owned and flew the Monocoupe 90AW "Little Mulligan". The aircraft wings were restored in Oshkosh but the fuselage is located here on the Airport. If you can find time please stop by and take a look or even donate some time to this once in a lifetime project. VAA Chapter 37 contact information is on the back of this newsletter.

Vintage picture above and much more information can be found at <http://www.airventuremuseum.org/collection/aircraft>.

The restoration pictures were taken by VAA Chapter 37 member Ed DeBolt and found online at <http://www.rcgroups.com/forums/showthread.php?t=550893>
