

DeKalb County Airport

Indiana's Airport of the Year

DeKalb County Board of Aviation

The Wildlife/Security Fence was substantially complete on Friday the 30th of January. As a reminder, to access the gates you must have your access card and know your pin number.

Instructions on how to use your card are as follows:

- ⇒ **Wave your card in front of the new keypads (I've seen people even leave their card in their wallet and simply present the wallet to the card reader).**
- ⇒ **Enter your four digit pin code**
- ⇒ **The gate will open and you can drive on through.**
- ⇒ **You must repeat when exiting.**

If you do not have a card/pin code or if you have any questions please contact Russ at (260) 927-8876. If you have not done so already, you will be asked to fill out a card application form and come up with a four digit pin code that you will be able to remember. We will take your picture so wear your best smile and be ready to say "I Love Airplanes".

In The News...

Hoosier Air Museum News: The Hoosier Air Museum can be reached at 260-927-0443

Although the Museum is on winter hours, there has been activity!

General open-to-the-public membership meetings and programs have continued. A Christmas dinner, the first two Texas Hold'em tournaments (on the second Saturday of each month), and regular board meetings filled part of the winter activity time. The banquet hall annex was utilized by reservation only.

We have completed two poker tourneys. The last two of the planned series will be held on the second Saturday of March and April.

The general open meeting on the 2nd Monday of January featured David Van Liere discussing piloting helicopters in Vietnam. We watched the movie, "The World's Fastest Indian" (staring Anthony Hopkins) in February and look forward to an interesting program on the second Monday of March. The open hours will resume on March 15th.

We are proud to add the names of Bob Koss, Bob Hootman, John & Judy James, Jeff Bassett and John & Carol Shuttleworth to The Indiana Plaque in the Airport Terminal lobby area. This is in appreciation of their donations of \$100.00 or more to the Museum.

Finally we would like to congratulate Brad Moore for his appointment to the DeKalb County Airport BOAC.

On February 2, 2009 Century Aviation has helped to usher in one more Private Pilot. **Congratulations Mike Quayle!** And, on February 25, 2009, Tony Gaerte became an Instrument Rated Pilot

Congratulations Mike and Tony!!!

We all wish you many safe and fun-filled hours of flight!
